Your Faith really...matters

{ Faith is the currency of God }

“Faith is trusting in advance what will only make sense in reverse “ - Philip Yancey

Faith can sometimes work in a way in which we do not expect it to work. Sometimes, it seems like everything we are believing for goes backwards.

Faith is an attitude; an inward disposition that ultimately produces an outward action.

Some sicknesses go on for years and others resulted in death. Still

many more promises are delayed. There are many unanswered prayers, impossible problems and even senseless tragedies. Why is this so?
