Your Work... matters

{ Your Vocation is Your Mission }

All Christians are gifted with ministries which God intends them to fulfill

“So how can your relationship with God grow in the work place? The easy temptation is to separate life into two compartments: career, public; faith, private.

Is Church more than Sundays? What Am I doing Monday to Saturday?

But if you consider how much of life is spent engaged in work or career perhaps the work

place is also an idea place to grow in and share with others your relationship with Christ?”

A Dichotomy

For too long, Christians who work have allowed a dichotomy to creep into their lives, placing faith in one compartment and work and/or career in another.

Yet the importance of carrying our faith into every corners of our work lives is imperative for healthy Christian living.

For Whom

This workshop is for those who desire to walk the next level in applying Faith to the workplace.

Why Am I in this Place? Is this a Chance Happening?
